...FROST ADVISORIES SUSPENDED UNTIL MARCH 1 2012...

A widespread freeze and killing frost occurred across the tri-state area this morning. As a result, Frost Advisories for Southeast Alabama, Southwest and South Central Georgia, and the Florida Big Bend and Eastern Panhandle, will be suspended until March 1, 2012.

The National Weather Service in Tallahassee will continue to issue Freeze Warnings until the first widespread hard freeze of the winter. Hard Freeze Warnings will continue to be issued throughout the winter.

As a reminder, A Freeze Warning is issued when temperatures are forecast to drop to between 26 and 32 degrees for at least two hours. A Hard Freeze Warning is issued when temperatures are forecast to drop below 26 degrees for at least 2 hours.

Here is an estimate of the low temperatures on the morning of November 12th:
